Parking Lot Update

The building of the parking lot has halted for now, due to the upcoming winter, and finances. We have the money for the 10-12 inches of stone, but not for the asphalt or concrete. There is some feeling that with oil prices dropping, the price of asphalt could drop by next spring significantly.

We will continue to raise funds for the blacktop until then. Say a prayer about this.

Also, it will be one more tough year for parking. Please use the Eden Bowling Alley, Kazoo Company, Eden Tool & Die, or Old Palmieri Paving Building if you are healthy enough to walk in.

Snow Removal

All 5 outside doors must be cleared of snow every time we meet, in case of an emergency. There will be shovels and ice melt at the doors. Feel free to get at it. Also we need to clear the sidewalks and wheelchair lift steps and platform. If anyone knows how to fix the carburetor on the snow blower, see Pastor Kohl or Pastor Seth.

"Unthankfulness" - Pastor's Conclusion

A pastor included in his annual business report the item "Nine persons lost at sea." When the congregation expressed shock and amazement, he said, "Well, eleven persons requested prayers for those going to sea, and only two asked me to give thanks for a safe return, so I assume that the other nine were lost at sea"
