: The Yetzer Family, missionaries to Italy in evening service, 6:30pm

20 - 24: Junior Camp, Butler, PA.

27 - August 2: Witnessing at the Dunkirk Fair

Bones in the Church

A southern preacher divided his church members into five types of bones:

1. Wishbones - Folks always wishing for better things, but never willing to work and pray for them.
2. Jawbones - the gossiping kind that keep the church in turmoil.
3. Funnybones - like the bone in the elbow that throws a person into a tizzy when it is hurt. They are touchy, wear their feelings on their sleeves, and are always talking about leaving the church.
4. Drybones - Orthodox but dead as fossils
5. Backbones - The spiritual support of the church that keeps the body standing.

"Don't say 'I haven't time to read the Bible or pray or attend church,' but rather say 'I haven't disciplined myself to do these things.'"

Oswald Chambers

A Thoughtful Layman's Poem

I feel sorry for the preacher

In some little towns;

If he's not a shining angel,
All the gossips run him down.

If he stays at home to study,
He should go to see the sick.

If he goes to a convention,
He doesn't work a lick

If he visits ailing ladies,

He's a gadabout and flirt;

If he dares to go a-fishing,

His good name's forever hurt.

If he's boosting for the young folks,

He's too modern - he's a clown;

He won't preach old-fashioned sermons,

Fit for such as Grandpa Brown.

If he caters to the old folks,

All the young ones stay away;

And they never ask God's blessing

On him when they kneel to pray.

And an unbelieving farmer

Ridicules his soft, white hands

Hands that welcome weary sinners

And then teach them God's commands

Yes, I sympathize with preachers,

For they're human as can be,

And I know they can't be perfect,

For they make mistakes like me.

Every Tuesday at 6-8 pm, from now until VBS

we will be having Decorating Days!

All adults and teens of all levels of experience welcome.

There is something for everyone to do!

Vacation Bible School is July 13-16!

We still need lots and lots of plastic jars for VBS! ☺

We also need several 8ft or 4ft 2x4 boards.

And one last thing, we need some fake greenery and trees. Thanks! ☺
