Nursery Director Needed for 2011

Patient, faithful adult lady. See Pastor Kohl for details.

Begins January 7th at 7:00pm at the Evans Chapel. This is an intense discipleship ministry to help functional addicts overcome addictions of all kinds. Mike & Jayne Gannon are going to get it started in Friday nights. See them for more info. Start praying for this ministry now! Transportation needed for some participants.

The Word of God is a gift that keeps on giving!

The Bibles displayed in the auditorium are sold at cost.

Transportation Needed

There are four mobile residents of the Eden Heights Nursing Home (maybe more in the future) who have attended our church recently and want to keep attending. We need someone to faithfully provide rides for them to and from the Sunday Services. Maybe several people would like to help. Let Pastor Kohl know very soon.

Was Christmas Just a Coincidence?

The following probabilities are taken from Professor Peter Stoner in *Science Speaks* to show that coincidence is ruled out by the science of probability. Stoner says that by using the modern science of probability in reference to eight prophecies.

“... We find that the chance that any man might have lived down to the present time and fulfilled all eight prophecies is 1 in 10^{17} . That would be 1 in 100,000,000,000,000,000. In order to help us comprehend this staggering probability, Stoner illustrates it by supposing that “we take 10^{17} silver dollars and lay them on the face of Texas. They will cover all of the state two feet deep.

Now mark one of these silver dollars and stir the whole mass thoroughly, all over the state. Blindfold a man and tell him that he can travel as far as he wishes, but he must pick up one silver dollar that is marked.

What chance would he have of getting the right one? Just the same chances that the prophets would have had of writing these eight prophecies and having them all come true in any one man, from their day to the present time, providing they wrote them in their own wisdom.

Now these prophecies were either given by inspiration of God, or the prophets just wrote them as they thought they should be. In such a case the prophets had just once chance in 10^{17} of having them come true in any man. But they all came true in Christ!

This means that the fulfillment of these eight prophecies alone proves that God inspired the writing of those prophecies to a definiteness which lacks only once chance in 10^{17} of being absolute.

8 Christmas Prophecies (written 500-1500 years before Christmas)

1. Christ would become human
(Genesis 3:15, Galatians 4:4)
2. Came from the tribe of Judah
(Genesis 49:10, Luke 3:26)
3. From the family of Jesse
(Isaiah 11:1, Matthew 1:5,6)
4. Be God in the flesh
(Isaiah 9:6, I Timothy 3:16)
5. Be born of a virgin
(Isaiah 7:14, Matthew 1:20-23)
6. Be born in Bethlehem
(Micah 5:2, Luke 2:4)
7. Be born about 3 BC
(Daniel 9:25)
8. Escape to Egypt
(Hosea 11:1, Matthew 2:13-15)

There are actually 61 major prophecies about Christ in the Old Testament written before his human existence, not just eight!

Do you know of any other individual religious leader that ever had even one prophecy written about them 500-1500 years before they were born? What conclusion can you make from this?
