Seven Wonders of the Word

1. Its Formation—the way in which it grew is one of the mysteries of time.
2. Its Unification - a library of 66 books, yet one book.
3. Its Age—most ancient of all books.
4. Its Sale - best-seller of all time and of any other book.
5. Its Appeal - only book in the world read by all classes of people.
6. Its Language - written largely by uneducated men, yet the best book from a literary standpoint.
7. Its Preservation - the most hated of all books, yet it continues to live!

Juan Chavez

The name of Juan Chavez was high on the list of desperadoes wanted by the Mexican police. But he seemed beyond the reach of the law. Every effort to apprehend him proved unsuccessful.

Then one day, without warning, the elusive criminal appeared voluntarily in a Saltillo, Mexico courthouse and announced, "I am Juan Chavez!"

The presiding judge was aghast. The name was only too familiar to him. "Who brought you in?" he asked.

Chavez held up a Bible and replied, "This book has brought me back, back to pay my debt to society."

Juan Chavez was a changed man. He explained it this way: "What I got back from one of my raids, I found this book among the loot. I was hiding in a cave at the time and since I had nothing else to do, I began reading the book. I couldn't get away from it. This Bible has changed my life."

- John D Erickson

In this Year of the Bible,
let us thank God
for its power to change lives!

Victory Verses Over Selfishness

► Philippians 2:3

"Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves.."

► Luke 6:31

"And as ye would that men should do to you, do ye also to them likewise."

Jesus quoted Scripture when the devil tempted Him to sin.

He used the Sword of the Spirit, which is the Word of God, to defeat the devil. We should too!
(Matthew 4:1-11; Ephesians 6:17)

An Excerpt from the *Christian Gentleman's Handbook*

During cold weather, a gentleman will always wear gloves. This is done for two reasons: to keep the hands warm, and to avoid presenting a cold hand that makes handshakes unpleasant.

When wearing a vest, a gentleman leaves the bottom button undone.
