When D.L. Moody was once reading to his congregation from Psalm 103, he came to verse 2: "Bless the Lord, O my soul, and forget not all His benefits." Mr. Moody stopped short and, in a way only he could, said, "You can't remember 'em all, of course, but don't forget 'em all either. Remember some of 'em!"

Sad Circle of History

When the thirteen colonies were still a part of England, Professor Alexander Tyler wrote:

A democracy ... can only exist until the voters discover that they can vote themselves money from the public treasury. From that moment on, the majority always vote for the candidates promising the most money from the public treasury, with the result that the **democracy always collapses** over loose fiscal policy followed by dictatorship. The average age of the world's great civilizations has been **two hundred years**. These nations have progressed through the following sequence:

Praise for God's Will

Francis Ridley Havergal (author of "Take My Life and Let It Be") used to say, "The will of God was once a sigh; but now it has become a song." When you get to that point, you are in the way of blessing.

Did you ever know a potter to thank a vessel for its beauty and usefulness? Surely the praise is due, not to the clay, but to the potter!

Thus, praise is due to God for all that He has done for us.

Ladies, have you done anything for your **Secret Sister** lately?

Gentlemen

by Dr. George Alquist, Jr

A gentleman is aware that others at his table and in the restaurant expect to enjoy the meal in a pleasant atmosphere, and is careful not to infringe upon their enjoyment with untoward behavior.

Teacher Tips

The preaching of the Word of God is the easiest venue through which inspiration may occur. Biblical principles procure life change. It is up to the instructor to allow these truth to captivate, change, and redirect the heart of the student.

Thots for Parents

Proverbs 15:1 "A **soft** answer turneth away wrath: but grievous words stir up anger."

Proverbs 25:15 " By long forbearing is a prince persuaded, and a **soft** tongue breaketh the bone."

Our words can be strong, accurate and direct, but should be **soft**. A child's fragile psyche can not handle hard, cold, loud scoldings. Grievous words stir up anger. Fathers are told "provoke not your children to wrath" (Ephesians 6:4) and "provoke not your children to anger" (Colossians 3:21).
