Garden Tomb

When the Garden Tomb was discovered in 1885, the godly General Christian Gordon was convinced this was where the body of Jesus had lain.

When they first cleared the spot, with great caution they gathered all the debris, shipping it to Great Britain's Scientific Association. Every part of the debris was analyzed, but there was no trace of human remains.

"He is not here: for He had risen" Matthew 28:6

Easy to Invent Christianity?

During the French Revolution, somebody said to Talleyrand, bishop of Autun:
"The Christian religion - what is it? It would be easy to start a religion like that."

"Oh, yes," Talleyrand replied. "One would only have to get crucified and rise again the third day."

Empty Tomb's Message

The Empty Tomb had a message for the disciples as it has for us.

It says to science and philosophy, **"Explain this event."**
It says to history, **"Repeat this event."**
It says to time, **"Blot out this event."**
It says to faith, **"Believe this event."**
