Pastor Alan Redpath tells of a lady who has a little motto over her kitchen sink that reads as follows: "Divine service is conducted here three times daily." This is the type of industry Christ honors.

Dr R J Mc Cracken, speaking at a convention at Atlantic City said, "a neurotic is a man who builds castles in the air. The psychotic is the man who lives in the castles in the air. The psychiatrist is the man who collects the rent from the man who lives in the castles in the air."

October is

STEWARDSHIP MONTH

The highlight of the month will be the Missions Conference, October 19-22.

Our guest speaker will be Dr. Rene Freret from BEAMS International, Gulfport MS. We will have six missionary families with us throughout the week.

"...some have not
the knowledge
of God..." 1 Cor 15:34

The family altar in our home holds such a beauty rare;
Among the treasures of this life there's none that can compare.

'Tis just about the evening hour when day has spent itself
That Dad takes down the Bible from its place upon the shelf.

We read the Word together and we bow at Jesus' feet;
How precious is that fellowship! It makes our day complete!

And all the burdens we possess are swallowed up in prayer;
The sweetness of this time with God reveals His love and care.

A family altar in the home! How blessed and how true
That if we put God first - He'll bless! We hope you have one too!
