An old pioneer travelled westward across the great plains until he came to an abrupt halt at the edge of the Grand Canyon. He gawked at the sight before him: a vast chasm one mile down, eighteen miles across, and more than a hundred miles long! He gasped, "Something musta happened here!"

A visitor to our world at Christmastime, seeing the lights, the decorations, the trees, the parades, the festivities, and the religious services, would also probably say, "Something must have happened here!"

Indeed, something did happen. God came to our world.

SIGNERS OF THE DECLARATION OF INDEPENDENCE

Arthur Middleton

Signer #51: Arthur Middleton (1742-1776)

South Carolina. Age at signing: 34

Occupation: Planter

Married: Mary (9 children)

Quotes & Notes:

He left Cambridge in his twenty-second year, with the degree of bachelor of arts, and with the reputation of a profound scholar and a moral man.

A big thanks to all who prayed and participated in this year's Christmas Cantata "Then Jesus Came."

Approximately 250 were in attendance at each of the performances. Seven adults indicated that they had received Christ as Saviour!

Thanks for all the singers, musicians, sound men, speakers (actors!), food servers, ushers, children's choir, etc. Special thanks to Dan "The Music Man" Priore for organizing the whole thing. Most of all, thanks to the Lord who gave us something to sing about.

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."
Isaiah 9:6

Griffith John, the celebrated missionary to China was admitted to church membership at the exceedingly early age of 8.

His testimony is, "Had I not taken that step then, I doubt whether I should ever have been a missionary, if a member of a Christian Church at all."
