If God Forgot

If God forgot the world; forgot, for just one day; forgot to send the sunshine, and change the night to day; forgot to make the flowers grow, forgot the birds and bees, forgot to send the sweetness of the south wind in the trees; forgot to give us friendships, forgot to send us rain, forgot to give the children play, forgot to soften pain; what would happen to this old world and us? Would we still be okay? If God should forget, forget for just one day?

God does not throw dice

Albert Einstein, though not a Christian, was a firm believer in God. It is said that when he was asked about the origin of the universe and life by chance, he replied, "God does not throw dice."
