A Child's Prayer

Lord, teach a little child to pray,
And then accept my prayer;
For thou canst hear the words I say,
For thou art everywhere.

A little sparrow cannot fall
Unnoticed, Lord, by thee;
And though I am so young and small,
Thou dost take care of me.

Teach me to do the thing that's right,
And when I sin, forgive;
And make it still my chief delight
To serve thee while I live.

What About Duty?

The great scientist, Louis Pasteur, often conducted his experiments at the risk to his own life. When someone commented on the courage such a course required, the famous scientist's simple reply was, "What about duty?"
