The King James version is, after all, the best translation we have ever had. The very words of the Bible in the original languages were inspired of the Holy Ghost. That is what the Bible claims for itself; and that is what born-again, Bible-believing Christians believe about the Bible.

We are to search the Scriptures as our Lord commanded us; but remember, there is a curse to those that add to the Word or take away from the Word. The hottest place in Hell will be reserved for these modernistic conspirators who, in a subtle, pious way, are trying to steal the faith of humble Christians in the Word of God.

Remember this: Any man who wonders if the Bible is the Word of God has not been born again. All born-again Christians believe the Word.

Cobbel's Rule of Speaking

"I speak not only so I can be understood, but so that I cannot be misunderstood."

Cobbel's rule influenced a young preacher named Charles Spurgeon, and the rest is history. Spurgeon became known as the "Prince of Preachers." His sermons preached in the 1800s are still read and understood today.

Christ's Last

His last act
was winning a soul.

His last command
was to win a soul.

His last prayer
was forgiveness to a soul.
