God! Who Else?

Who else but God can fill all space,
and keep each planet in its place?
Who else can measure out the sea,
and pour in salt abundantly?
Who else can paint the endless sky,
and teach the birds to soar and fly?
Who else can make each plant to grow,
and tell the unseen winds to blow?
Who else can bathe the world with showers,
and decorate the earth with flowers?
Who else can transcend time and space,
and reach a fallen human race?
Who else can hear the faintest cry,
and know the reason for each sigh?
Who else can see the aching heart,
and tenderly His balm impart?
Who else can kindle flames of love,
and keep them burning from above?
Who else can bid the storms to cease,
and whisper words of calm and peace?
Who else can ease the throbbing pain,
and send the sunshine after rain?
Who else can transform loss to gain,
and give, and give, and give again?
Who else can take a sinful soul,
and make it clean, restored and whole?
Who else can take away death's sting,
and reign as risen, conquering King?
Who else can give me life divine,
and make all Heaven freely mine?
No one but God could ever be
a friend who means so much to me!
