What is the Book of Joshua about? Joshua was Moses' minister while the children of Israel were delivered from Egypt, wandered in the wilderness for 40 years, and were now at the doorstep of the land of Canaan that God promised to them.

Moses has died, and Joshua was now the leader of Israel. This book spans a period of **26 years** in which Joshua leads the Israelites to 31 conquests (victories) and one defeat. Then the book explains the **division of Canaan land** to 11 tribes.

H.G. Wells was never particularly religious, but after he had studied the history of the human race and had observed human life, he came to an interesting conclusion:

"Religion is the first thing and the last thing, and until man has found God and been found by God he begins at no beginning, he works to no end. He may have his friendships, his partial loyalties, his scraps of honor. But all these things fall into place and life falls into place only with God."

Join the National Prayer Call each Tuesday night with Evangelist Chuck Harding & many preachers. Listen & pray along silently. Call 339-207-6363 before 8:30pm to join.

"My concern is not whether God is on our side. My great concern is to be on God's side, for God is always right." – Abraham Lincoln

## God Sees All

When Scottish theologian John Baillie taught at Edinburgh University, he made it a practice to open his course on the doctrine of God with these words:

"We must remember, in discussing God, that we cannot talk about Him without His hearing every word we say. We may be able to talk about others behind their backs, but God is everywhere, yes, even in this classroom. Therefore, in all our discussions we must be aware of His infinite presence, and talk about Him, as it were, before His face."

### Sweethearts Banquet

All married or engaged couples are invited to dinner Sunday, February 14th at 5:30pm. Please sign up if you are coming. Child care and nursery will be provided for free during the banquet and there will be a class for ages 2-5 during the service.
