What is the Book of 2 Kings about?

This book contains the history of the kingdoms of Israel and Judah from the time of King Ahab to the captivity—a period of about three hundred years.

During this time Amos and Hosea prophesied in Israel; and Obadiah, Joel, Isaiah, Micah, Nahum, Habakkuk, Zephaniah, and Jeremiah in Judah.

The first half of the book is occupied principally with the ministry of Elisha. The second half of the book deals with events leading to the fall of Samaria and the captivity of Israel, and to the fall of Jerusalem and the captivity of Judah.

The Deity of the Holy Spirit

The deity of the Holy Spirit ought to be clearly recognized in Scripture. Look at these facts:

Christ is born: the Spirit is His forerunner. Christ is baptized; the Spirit bears witness. Christ is tempted: the Spirit leads Him up. Christ ascends; the Spirit takes His place.

What great things are there in the character of God which are not found in the Spirit? What titles which belong to God are not also applied to Him?

He is called the Spirit of Christ, the Spirit of the Lord, the Spirit of adoption, of truth, of liberty; the Spirit of wisdom, of understanding, of counsel, of might, of knowledge, of godliness, of the fear of God. This only begins to show how unlimited He is.

Offering Plates

They are placed at the front and back of the auditorium at all services for the giving of tithes and offerings. Offering envelopes are in the back seat pockets to be used to designate offerings.

"May not a single moment of my life be spent outside the light, love and joy of God's presence, and not a moment without the entire surrender of myself as a vessel for Him to fill full of His Spirit and His love." - Andrew Murray

"The Bible will always be full of things you cannot understand, as long as you will not live according to those you can understand." - Billy Sunday

"Happy is that people, that is in such a case: yea happy is that people, whose God is the LORD."

- Psalm 144:15
