## What is the Book of Job about?

The book of Job is the story of an actual man named **Job**. We do **not** know who the author was, but the book was written in **Hebrew**, and is a **literacy masterpiece**. The verses about animals and science are magnificent, and reveal the majesty and power of God in **nature**.

Job may well be the **oldest** book in the Bible, probably written before **1500 B.C**. The issue of Job is, "**Why do the righteous suffer**?" Job lost everything, and was put to the test. His friends charged him with **secret wickedness**, but he protested that he was **innocent**.

All were **silenced** at last by God, who appeared as Judge and overwhelmed Job with a knowledge of his own nothingness and a sense of God's **infinite power and wisdom**.

## Every Day is Easter

"Easter comes but once a year," so many people say, but to a person saved from sin, it's Easter every day! A man, when saved or "born again" his life, to Christ, will give. And, as a new-born babe in Christ he's just begun to live. "I am the resurrection, life", the Savior one day said; "and he, believing in my Word, shall live though he be dead." And that well known Apostle, Paul, in Philippi made plain; "for me to live is Jesus Christ. for me to die is gain." So when the Blood of Christ, our Lord, redeems a soul from sin: every day is Easter, for Jesus lives within!
