<i>What is the Book of Lamentations</i>	about?

What is the Book of Lamentations about?

The five **elegies**, or **mournful poems**, which make up this book were written by the prophet Jeremiah after the **destruction** of Jerusalem. In them the prophet, who spoke so **unsparingly** of the sins of his people in the book that bears his name, reveals his great **sorrow** over their destruction. He wept because he **loved** his people.

Symmer Prophecy Series — 11am

Starts next Sunday morning June 27 through September 19 (including the 4th of July!)

Prophecy is the telling of history before it happens! The Bible is the only book loaded with accurate prophecy. It serves many purposes, and is especially meant to build your faith. Consider the words of Christ:

"Now I tell you before it come, that, when it is come to pass, **ve may** believe that I am he." - John 13:19
