# What is the Book of Ezekiel about?

The prophecy of Ezekiel was written by the prophet of that name, who had been carried to Babylon with one of the later groups of exiles of Judah. The prophet Ezekiel was a **priest**. His messages have to do in particular with the sin of Israel as the covenant people of God, and also with the **re-establishment** of the temple at the **return** of Christ to the earth. He presents a very complete picture of the millennial temple as it will be built in Jerusalem when Jesus Christ is **King of Kings** and **Lord of Lords**.

## **Baptism**

Have you been saved? Have you ever been baptized after your salvation? The baptistery can be filled any time, talk to Pastor Kohl today.

# Summer Prophecy Series - II am

Starts this morning and continues through September 19 (including the 4th of July!)

Prophecy is the telling of history before it happens! The Bible is the only book loaded with accurate prophecy. It serves many purposes. and is especially meant to build your faith. Consider the words of Christ:

"Now I tell you before it come, that, when it is come to pass, ve may believe that I am he." - John 13:19
