What is the Book of 2 Timothy About?

There is much sentiment attached to the last message of a friend, and this second letter of Paul to his "son in the faith" is especially sacred, since it is believed to be the last to leave Paul's mighty pen.

The object of Paul's "last will and testament" was to inform young Timothy of the dangers threatening the apostle, to fortify his courage, asking him to hurry to his aged friend, bringing Mark with him.

Second Timothy is loaded with advice regarding all necessary equipment for Christian service. Paul's counsel came from a very tender heart, for he was writing to his son in the faith.

Always remember to forget
The things that make you sad,
But never forget to remember
The things that made you glad.
Always remember to forget
The friends that proved untrue,

But never forget to remember

Those that have stuck by you

Always remember to forget

The troubles that passed away, But never forget to remember,

the blessings that come each day.

A Mother's Prayer

God, give me words, such simple words
That little ones may hear
And understand the love of Christ;
This is a mother's prayer

Help me live before them, Lord,
That they may see in me
The example of a Christ-filled life,
And learn to follow Thee.

May I take some time to show them, when They often come to me With little things that trouble them, That those things are from Thee.

Help me to lead them while they're young To Christ, Thine own dear Son; Help me to teach them how to pray, To say, "Thy will be done."

Help me nourish on Thy Word
My children every day;
It is thy bread by which they grow,
The lamp that lights their way.

I give these children back to Thee That Thou has given me, That they may be in years to come Out winning souls to Thee.
