# Soul Winning Review

## I. Advice about Soul Winning

- Ask the Lord to prepare hearts to hear of salvation through Jesus Christ.
- Ask Him to help you be aware of opportunities on a daily basis and to have the courage to take advantage of those opportunities.
- Ask the person for permission to share with them, before you start.
- Have a clear and concise presentation of the gospel.
- **Remember, it's the Word of God that does the work, so be sure to use the Word.**
- After sharing, ask if that makes sense to them.
- Ask if they would like to ask Jesus to save them and have forgiveness from their sin.
- Share a suggested prayer with them, so they know what is required.
- Ask if that prayer expresses what they feel in their heart.
- Offer to pray that prayer with them. Slowly lead them to receive Christ as their Savior.

## II. Using Tracts

For many, handing someone a tract is the end of their efforts to share the gospel.

It should be the beginning of the most natural transition to share Jesus.

The following are some questions you can ask to get the conversation into the gospel while sharing Jesus.

- By the way, are you 50%, 75% or 100% sure you are going to heaven?
- Have you come to a place in your spiritual life where you know for sure you are going to heaven?
- If you were to die today and stand before God and He should say to you, **“Why should I allow you to spend eternity with me in heaven?”** what would you say?
- If you had your choice between Heaven and Hell, which would you choose?
- May I show you from the Bible how you can have eternal life?
- May I share with you the best news you will ever hear?
- This literature will tell you how you can know for sure you are going to heaven. Do you have that assurance?

If you do not feel you are ready to show them from the Bible, you can always read the tract to them.

## Important Tax Notice

To ensure the deductibility of your church contributions, do not file your 2007 income tax return until you have received a written acknowledgement of your contributions from the church. Some of your contributions may not be tax-deductible if you file your tax return before receiving a written acknowledgement of your contributions from the church.
